

## PRODUCT SPOTLIGHT

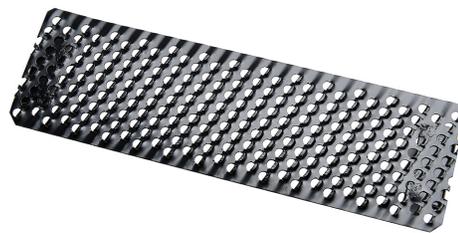

### TOOLPRO

#### Drywall Pocket Rasp

#TP02040

The Pocket Rasp quickly and easily removes material from the edges of ceiling tiles and drywall for a closer fit. It shaves and shapes edges of many materials including wood, laminates and foam board. It does not clog or collect dust, is comfortable to use and will last forever. This versatile little rasp belongs in everyone's tool pouch.

- Strong, sharp steel blade for long life
- Suitable for drywall, wood, plastics and most other soft materials
- Will not clog
- Die-cast zinc alloy body for durability
- Blade is easily replaced with a flat head screwdriver
- Compact design fits easily in pouch
